

aCapella

Verse - Baffles (AVB)

aCapella Verse Baffles are designed for **isolating noise and absorbing sound in open ceiling** environments such as office spaces, restaurants, lobbies and classrooms. The baffles are spaced at least 3" apart and **hung individually** from existing ceiling grid systems, roof decks or bar joists in open ceiling areas. Verse Baffles come in three designs: Range, Wave and Flat baffle shapes. Custom baffle shapes are also available. Verse Baffles add color with the use of 16 bold and bright color options.

MOUNTING SYSTEMS

SOUND ABSORPTION - IN SABINS

Hz	125	250	500	1000	2000	4000	N.R.C.
AVB	1.17	1.62	3.21	4.36	6.05	6.96	.95

Note: NRC based on J-mount with 12" x 48" Baffles.

CORE

1/2" Recycled Polyester

SIZES

Custom sizes and shapes up to 9' x 4'

MOUNTING

Top Clamp: Cable
 Grip5: CableLock with Cable
 Grip5: Direct Mount

FINISH

16 standard colors

EDGES

Square

CLEANING

Bleach Cleanable (10:1)
 Water-based/Solvent (WS)

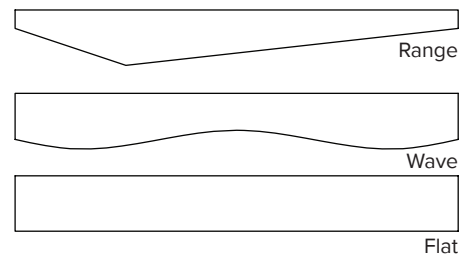

FLAMMABILITY

All components have a Class "A" rating per ASTM E84

COLORS

STANDARD SHAPES

Custom shapes are available.
